TOWN OF MILTON  
Scale 200 Feet to the inch

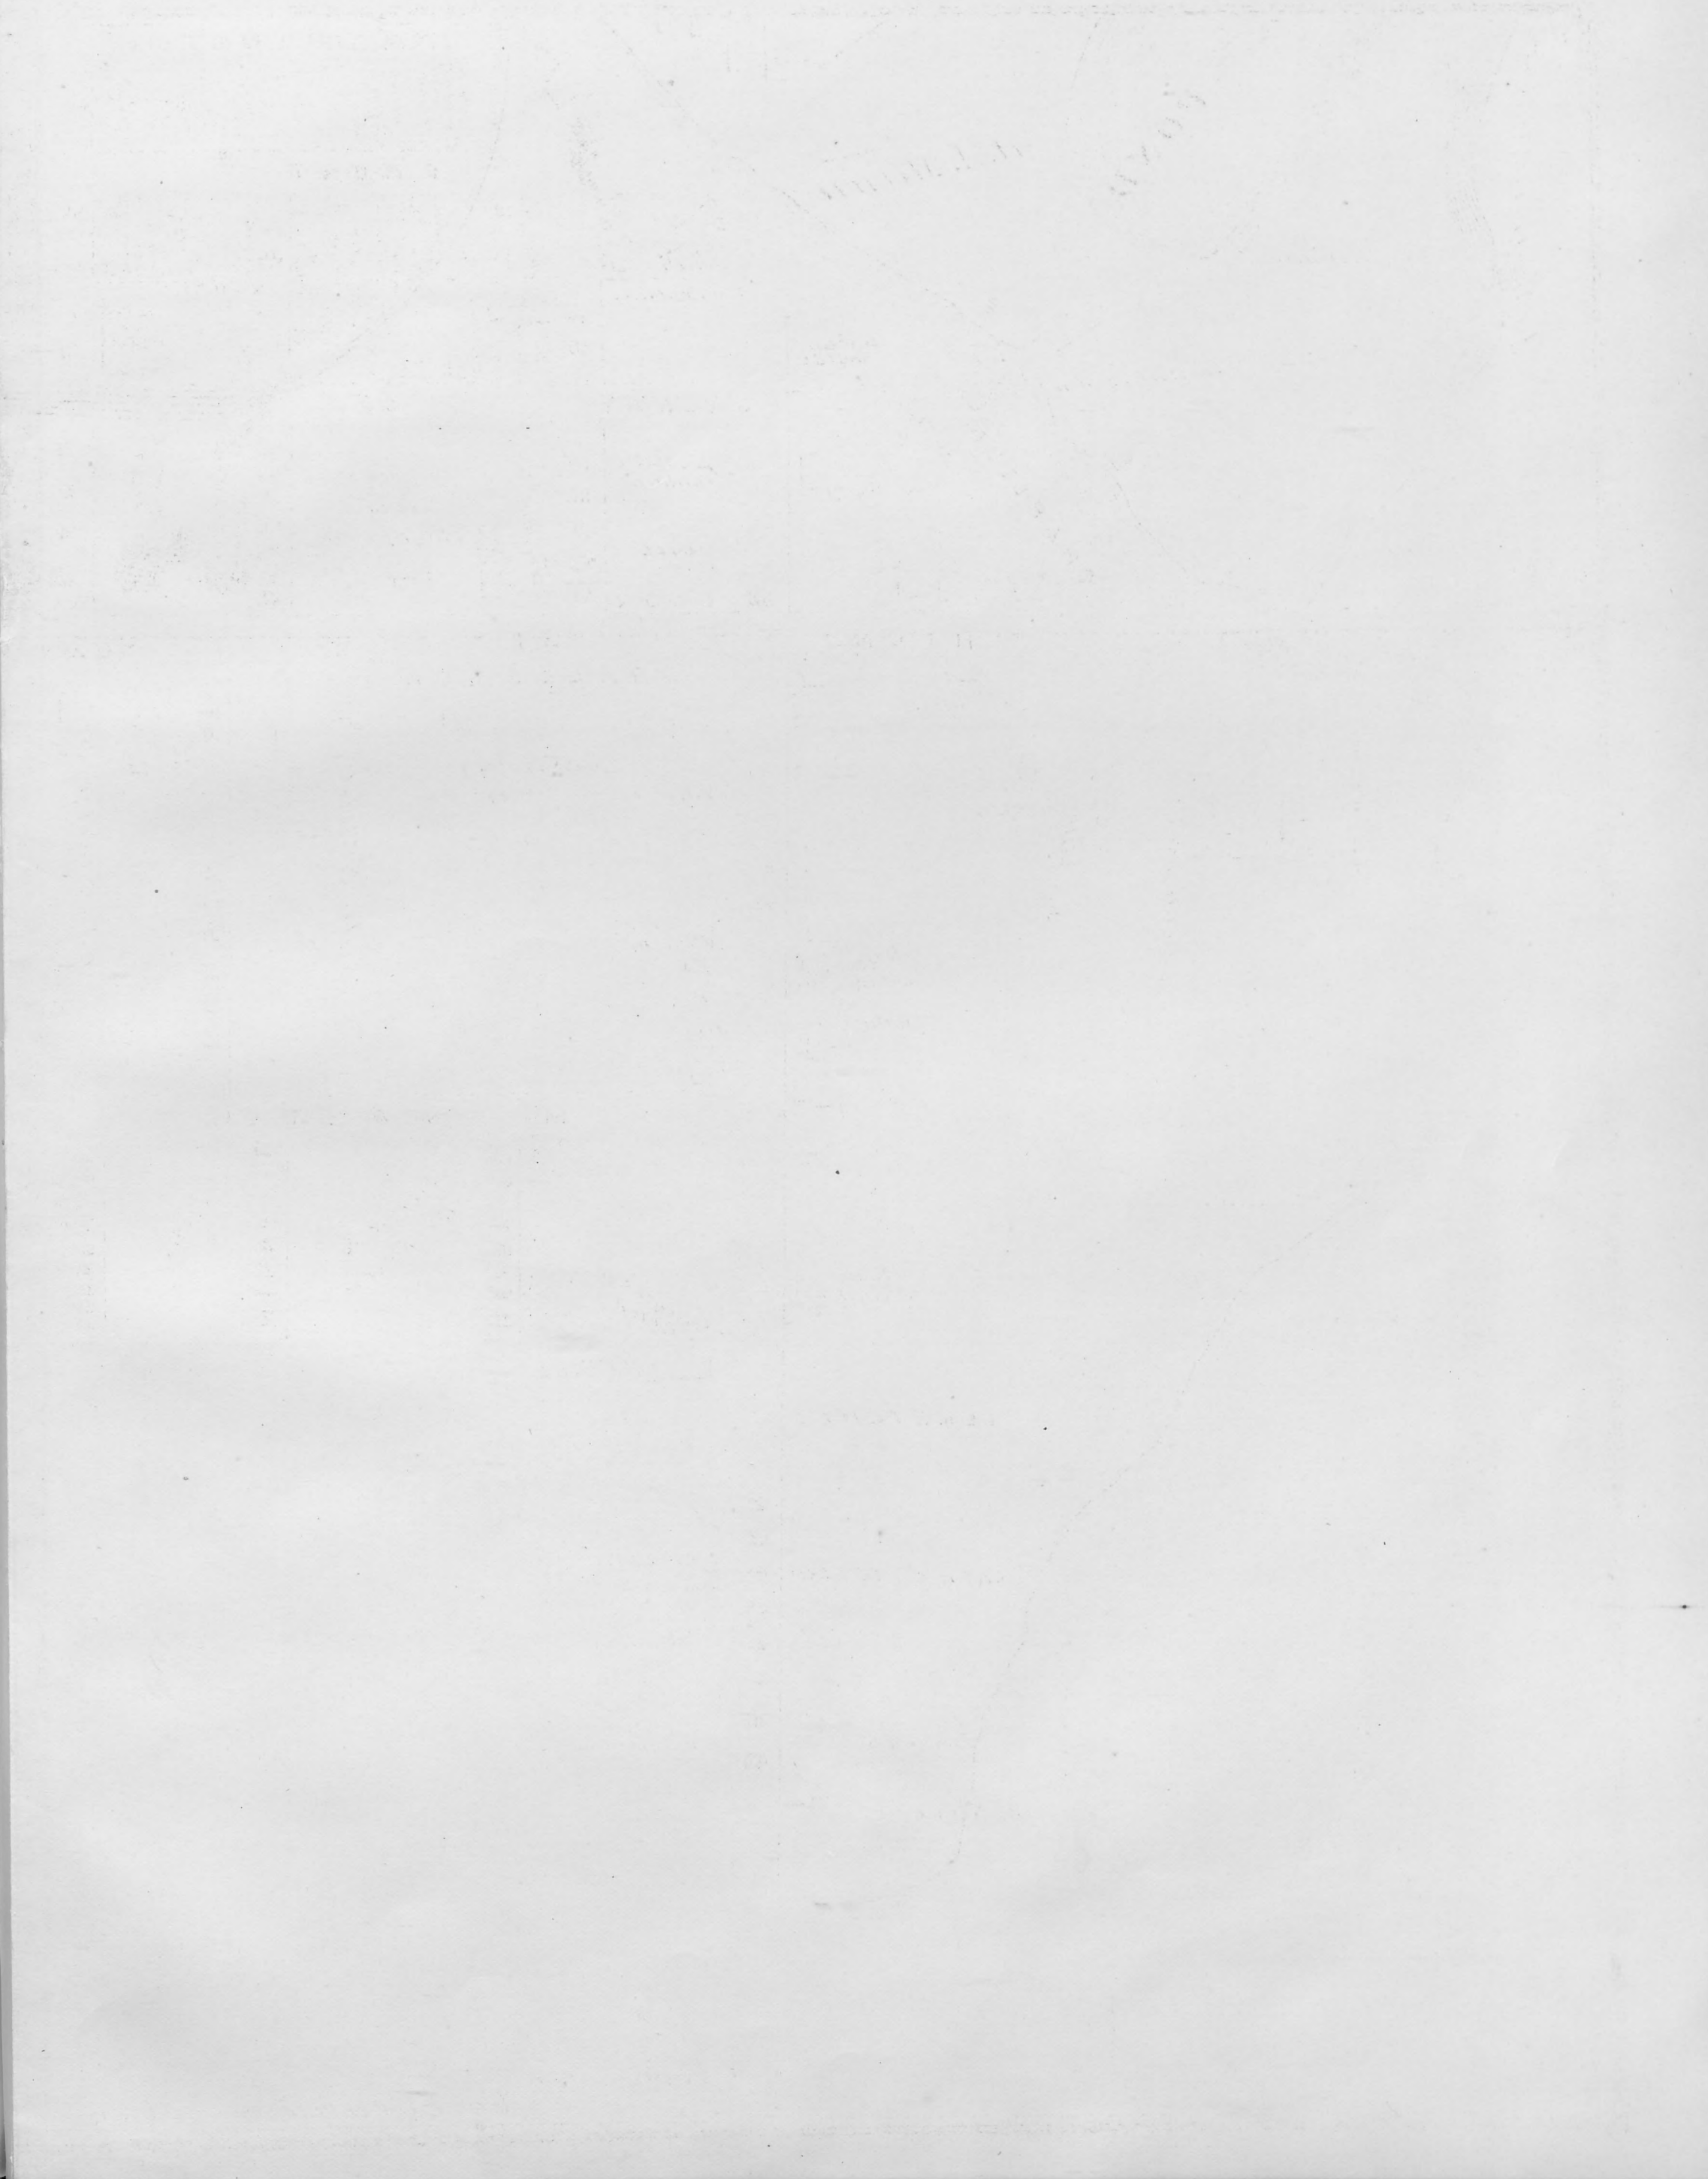

This is a detailed historical street map of a section of Portland, Maine. The map is oriented with North at the top. It shows a grid of streets including Washington, Pleasant, Blood, and several others. Key landmarks and buildings are labeled, such as the S. Gould & Son building, the H.A. Mann building, and the S. Smith building. The map also shows a large pond in the upper left corner and a small area labeled 'Ice House'. The map is drawn in a style typical of 19th-century maps, with buildings represented by simple outlines and streets by lines. The map is divided into blocks by the streets, and each block contains several buildings. The map is a black and white reproduction of an original color map.
